ISS Grounds Control names Drew Cottrell as Business Development Associate

Phoenix, October 5th, 2007 – ISS Grounds Control is excited to announce the addition of Drew Cottrell to our staff in the Phoenix ISS Grounds Control office. After 18 months of working as the ISS Marketing Coordinator, Drew was promoted to Sales Executive for ISS Grounds Control. In his new role, Drew will represent ISS Grounds Control to our clients in the areas of grounds and site maintenance services. Drew brings his knowledge and experience to Phoenix branch. “We believe that Drew will bring a new level of customer involvement to the position,” said Dale Micetic, ISS Grounds Control President. Drew is a graduate of Arizona State University with a degree in International business.

ISS Grounds Control is headquartered in San Antonio, Texas and is a wholly owned subsidiary of ISS Facility Services, Inc. ISS Grounds Control has landscape maintenance and installation operations in Arizona, California, Nevada and Texas. Cottrell will be based in the Phoenix, Arizona office.

ISS Facility Services offers a wide range of service solutions, from single services to fully Integrated Facility Services (IFS) that combine all aspects of customer service and support functions into one single solution. ISS provides facility management, cleaning, property services including landscape maintenance and construction, office support, catering, and security to more than 50 countries around the world.
